TE KŌWATAWATA

The draft Outline for the Ōtākaro/Avon River Corridor Regeneration Plan is a first step in the regeneration planning process. It explains the process we are proposing for developing a Regeneration Plan for the Ōtākaro/Avon River corridor. The draft Outline doesn't set out what the draft Regeneration Plan will say, just how we will prepare it.

Section 4 of the draft Outline sets out the **proposed geographic area** that the Ōtākaro/Avon River corridor Regeneration Plan will focus on. What do you think of this?

Section 5 sets out the **proposed opportunities for public engagement** and Section 6 details the **proposed process** for developing the Ōtākaro/Avon River Corridor Regeneration Plan. How do you want to be involved? What additional opportunities would you like? When in the proposed process would you like them?
