

## **Concise Statement of Comments under Section 54**

In accordance with the requirements of section 54(b) of the Act, between 14 November 2018 and 19 December 2018, Regenerate Christchurch invited the public to provide written comments on the Partial Revocation of the CCRP. During this time a total of 8 comments were received.

- 1.1 Eight comments on the Partial Revocation were received with one supporting the Partial Revocation in full, while two supported the Partial Revocation in part, one opposed the Partial Revocation and four comments were neither supportive nor opposed.
- 1.2 Of the eight comments, only three were considered to specifically relate to the Partial Revocation (with the others relating to the Ōtākaro Avon River Corridor Regeneration Plan). Of those three, two sought further clarity on the nature and extent of the actual inconsistencies between the CCRP and the OARC Regeneration Plan, and the consequential implications of the Partial Revocation. Regenerate Christchurch has made amendments to the Partial Revocation to clarify the nature and extent of those inconsistencies.
